### NOVEMBER 2025

"November's sky is chill and  
drear, November's leaf  
is red and sear."  
— Sir Walter Scott

We are already well into the second half of the Autumn term and have much to look forward to in the run up to Christmas.

## New Theatre Trip

Last week, pupils from Year 5/6 enjoyed an inspiring trip to the New Theatre in Peterborough for a special Author Meet and Greet event. The visit offered students a unique opportunity to meet S.F Said whose books many of the children have enjoyed reading either in school or at home.

During the interactive session, the author spoke about their writing journey, where their ideas come from, and the process of turning stories into published books. Pupils were excited to ask thoughtful questions, gaining insights into character creation, world-building, and what it truly means to be an author. After the talk, students all received their own copy of 'Tyger'.

It was a memorable experience that brought reading and writing to life outside the classroom.

A huge thank-you to the organisers, the theatre team, and of course S.F Said for making the morning so memorable. We look forward to more enriching literary adventures in the future!

# The Golden Table

## ✦ Introducing The Golden Table – Celebrating Lunchtime Superstars! ✦

We are excited to share a new initiative at Gorefield Primary Academy designed to celebrate and encourage excellent lunchtime behaviour.

*\*\* The Golden Table \*\**

Each week, lunchtime staff and teachers will be on the lookout for children who consistently follow our lunchtime behaviour expectations, including:

- Talking quietly with friends
- Using a knife and fork correctly
- Showing good manners to staff and peers
- Entering the dining hall sensibly
- Clearing away their plates and cutlery after their meal

Each week 3 children who demonstrate these positive behaviours will be invited to sit at The Golden Table with a friend of their choice— this is a special, celebratory table reserved for those who have gone above and beyond. Pupils will enjoy a little extra recognition, being served first, sitting at the 'golden table' and the pride of being role models for others as well as an additional little treat!

We hope this initiative will help reinforce our shared commitment to creating a calm, respectful, and enjoyable environment for all children during lunchtime. Thank you for your ongoing support in encouraging these important habits at home too.

We look forward to celebrating many of our lunchtime stars over the coming weeks!

# Children in Need

Thank you to all the children for their efforts in our Children in Need fundraising event on Friday 14th November. We had a sea of spots, Pudsey ears and yellow making their way into school. Thank you too for the generous donations – we raised an impressive £140 for the charity. A great achievement for a small school!

## A very generous donation

We are delighted to share some wonderful news with our school community. Last week we received an incredibly generous donation of Christmas raffle prizes and a fantastic selection of new books for our school library. These thoughtful contributions will make a huge difference to our pupils. The raffle prizes will help us create a truly exciting and festive fundraising event, and the new books—ranging from picture books to exciting chapter stories—will enrich our library and inspire a love of reading across the school.

We extend our heartfelt thanks to **Anness Publishing Ltd** for their kindness and support. Their generosity will aid our Christmas fundraising event and will continue to benefit our readers for many years to come. Thank you once again for helping make our school community such a special place.
