MARCH 2026

*Spring is the time of plans and projects.
– Leo Tolstoy*

Spring may only just be arriving but it marks the end of a busy term!

Trips

The warmer weather has given us the opportunity to venture out onto the first of our trips. Ocean Explorers went to Flag Fen last Tuesday. Miss Rankin sums up their day: “Our morning began with an exploration of biology and ancient history as children classified objects and gathered around a campfire in a Bronze Age roundhouse. After a sunny picnic, the group channelled their inner artists by crafting clay minibeast sculptures inspired by their forest investigations. The adventure concluded with an exciting pond-dipping session, capping off a day defined by curiosity and outdoor learning.”

Attenborough Class also enjoyed an exciting trip to Duxford last week. Miss Wakeham described it as “A truly memorable experience, filled with fascinating history and incredible sights. Walking around the airfield and seeing the aircraft up close made everything feel real and immersive for the children. Each hangar had something unique to offer, from vintage planes to powerful war machines, capturing everyone’s interest. It was a fantastic day out, and one that Attenborough Class will remember for a long time. A wonderful place to visit and explore!”

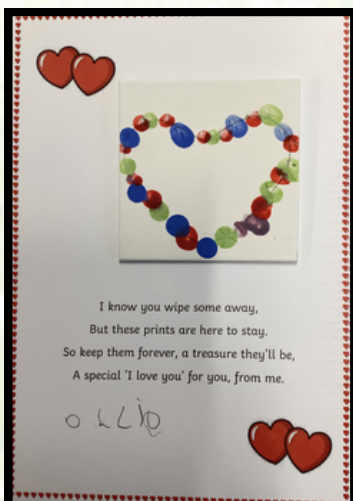

In our celebration assembly last week, we also received a visit from a special guest 'Peter Burrow' the Peterborough United Football Club mascot. who hopped in to join us as we celebrated the achievements of our pupils. The children were delighted to see our fluffy visitor, who helped present certificates and awards to those who had worked especially hard last week. There were lots of smiles, excitement, and even a few high-fives (and paw-shakes!) as the bunny congratulated the children. Peter even gave us **FREE TICKETS** for every pupil to watch a Peterborough United fixture at the Weston Homes Stadium free of charge alongside a parent/guardian on one of their dedicated schools days.

Valentine's Gallery

Back in February, the school hosted a wonderful Valentine's Gallery, where children had the opportunity to showcase and sell their masterpieces. The event was a great success, with families enjoying the creativity and effort on display.

Thanks to our parent's enthusiasm and support, an impressive £212 was raised for the school. Well done to all of our talented young artists, and thank you to everyone who contributed!

Gorefield Show Donation

We are delighted to share that we have received a generous £500 book donation from the Gorefield Show.

This donation will help us continue to develop a rich and engaging reading environment for all of our pupils, encouraging a love of books and learning across the school.

We are incredibly grateful for this support—thank you to everyone involved with the Gorefield Show for their kindness and generosity!
