Welcome back!

Welcome back to everyone after the summer break. It has been lovely to see so many happy and smiling faces in school. The children have all returned full of energy and ready to learn. We have also welcomed our new Reception children who have settled incredibly well into their new class and routines.

Our new class names

To celebrate David Attenborough turning 100 this academic year, our class names have been chosen to celebrate his lifelong achievements:

On a positive note...

At Gorefield Primary Academy we believe that building a positive and supportive community begins with strong partnerships between home and school. By working together with mutual respect, open communication and a shared commitment to your child's well-being, we can create an environment where every child feels valued, safe, and encouraged to thrive.

Your involvement, kindness, and collaboration not only strengthen our school community but also model the very values we hope to instill in our children.

A positive attitude towards school helps children feel confident, motivated and ready to learn.

When we speak positively about school, teachers and learning at home, it builds trust and excitement in our children. Together, let's encourage a love of learning by supporting and celebrating our school and ensuring that each child has the best possible educational journey.
